**SUPPLEMENTAL AMENDMENT Under 37 CFR 1.112**

Sir:

In response to the Office Action dated September 9, 2004 Applicant files this response as an Addendum to the Response filed on June 3, 2004, which was deemed deficient to pointing out the support for new claims 4-12, for which applicant's attorney failed to point out the support in the specification and omitted to include the statement that "No new Matter was added". Applicant's attorney apologizes for these informalities. Instead of repeating the text of the Response of June 3, 2004, applicant is submitting the support for the new claims and the added limitations in the Remarks section below.
